Strategic targets Guidance

**CEASEFIRE TRACKER: WHO
HAVE WE WON OUR MOST
BASIC DEMAND WITH?**

3 CEASEFIRE NOW TARGET CATEGORIES (in priority order)

Category 1A: Top priority: Progressives who haven't supported ceasefire
→ Move them to support ceasefire statement or resolution, H.Res. 786 (all) and support conditioning & stopping \$14 bil. to Israel (Senate)

Category 1B: Second priority: Progressives & moderates with weak ceasefire statements, moveable to more action
→ Pressure on military funding (Senate) & soon to come efforts on stopping settler violence (House)

Category 2: Enemies of the people list: Democratic leaders & Leaders of repressive bills
→ Publicly shame them to push moveable reps & move constituents

Not recommended for any actions beyond thank yous: Members of Congress on Rep. Bush's Ceasefire resolution or who have released strong statements independently. We've already won them over. Publicly pressure someone else and stay on USCPR's message!

H. RES. 786 (IN THE HOUSE)

- **Simple Resolution: the floor that we demand progressives get on board for**
- **Only requires passage in one chamber**
- **Non-binding, no Presidential signature required**

→ **If your member of Congress refuses to sign (often for internal political reasons) but puts out a strong statement, that is also a win.**

IN THE HOUSE OF REPRESENTATIVES

Ms. BUSH submitted the following resolution; which was referred to the Committee on _____

RESOLUTION

Calling for an immediate deescalation and cease-fire in Israel and occupied Palestine.

Whereas all human life is precious, and the targeting of civilians, no matter their faith or ethnicity, is a violation of international humanitarian law;

Whereas, between October 7 and October 16, 2023, armed violence has claimed the lives of over 2,700 Palestinians and over 1,400 Israelis, including Americans, and wounded thousands more;

Whereas hundreds of thousands of lives are at imminent risk if a cease-fire is not achieved and humanitarian aid is not delivered without delay; and

Whereas the Federal Government holds immense diplomatic power to save Israeli and Palestinian lives: Now, therefore, be it

- 1 *Resolved*, That the House of Representatives—
- 2 (1) urges the Biden administration to imme-
- 3 diately call for and facilitate deescalation and a
- 4 cease-fire to urgently end the current violence; and
- 5 (2) calls upon the Biden administration to
- 6 promptly send and facilitate the entry of humani-
- 7 tarian assistance into Gaza.

MORE ON CATEGORY 2:

Who are the Dem leaders? Who is leading repressive bills?

A) Democratic leadership who are greenlighting genocide

Ex: Sen. Schumer, Rep. Jeffries, Rep. Pelosi, Rep. Meeks, Rep. Hoyer, Rep. Adams

B) Original co-sponsors (leads) of repressive bills, two key ones:

H. Res. 894 explicitly conflating antisemitism and anti-Zionism

Rep. Miller, Max L. (OH-7), Rep. Jackson, Ronny (TX-13)

H.R. 6578 to create equivalent of the House Un-American Activities Committee - but this time targeting critics of Israel.

Mariannette Miller-Meeks (IA-01), Debbie Wasserman Schultz (FL-25), María Elvira Salazar (FL-27), Josh Gottheimer (NJ-05), Max Miller (OH-07), and Jared Moskowitz (FL-23)

OPPORTUNITY IDENTIFICATION: WHERE TO FIND TARGETS!

Step 1: How to find opportunities to pressure elected officials

Read all their communications:

- ❖ **Sign-up for their official emails on their website**
- ❖ **Check every social media account**
- ❖ **Call/email their district office**

Do research:

- ❖ **Set a google alert with their name**
- ❖ **Check govt holiday parades/events**

Follow allies:

- ❖ **Identify where they hold honorary positions like 'board member' and follow those orgs**
- ❖ **Find a friendly insider to alert you**

Step 2: Plan tactics that fit your escalation plan & your risk level

→ Birddogging works for EVERY event [see red slides for guide]

Town halls:
(usually take place during recess)

→ Bring signs & matching shirts and flood the town hall
→ Line up question askers to make Palestine the main issue on the agenda

Public events:

→ Flood the event with a significant group of supportive folks and disrupt at a key moment

Award ceremonies & holiday events:

→ Hand out fliers cleverly disguised as programs
→ Celebrate, in protest ex: carols, decorations, crash parade with your float

In public:

→ Build a rapid mobilization squad (complete with protest safety roles, see here!) to make 'no justice, no peace' a reality by popping up at restaurants, etc.

A HOW-TO GUIDE: BIRDDOGGING

What is it?

Birddogging is a strategy used by activists who repeatedly seek out elected officials, pin them down with specific questions or information, and retrieve their views. Typically activists follow-up by promoting a public video and/or asking for a private lobby meeting.

Is everyone given the same access to safety and opportunity at birdloggable events?

What steps might present different degrees of access to safety and opportunity within your plan and the space?

3. MESSAGE: Talking points & props guidance

TOP-LINE MESSAGE RECS

#CeasefireNow #StopArmingIsrael

- **Speak out & sign-on for a permanent ceasefire now!**

This is not our full demands, but it is critical to lead with this key demand from Palestinians in Gaza

- **Stop arming Israel**

Emphasizing the US role and stopping future weapons sales is key!

- **Stop the genocide in Gaza**

Highlighting the US's diplomatic & military complicity in the ongoing genocide is critical to challenge genocide denial in advance

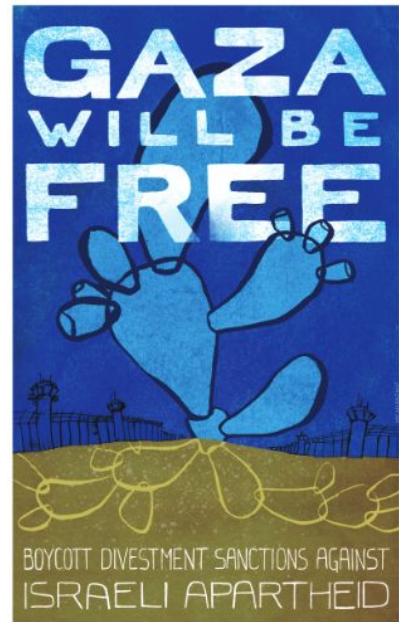

**STOP
GAZA
GENOCIDE**

- [A list of the martyrs killed in Gaza](#)
- [List of demands from Gaza](#)
- Use this [USCPR tool](#) for your taxes
- Share phone # for local rep. offices, and use this [script](#) for call-in actions

MESSAGING & SIGNS TIPS

- **This is genocide. Sound the alarm! See [Ahmed Abu Artema's message](#).** The international community needs to intervene. The most important thing everyday individuals can do is PROTEST in large groups around the world.
- **The root of violence is Israel's 75+ years of violent colonialism** and mass killings of the Palestinian people.
- **It is directly funded and rubber-stamped by the U.S. government** with \$3.8 billion/year in military funding to Israel. Now Biden is promising to send more weapons & military funding. ([Look up how much money in weapons to Israel people in your city send here through federal tax dollars.](#))
- **Be very clear about actors: who the aggressor is (Israel) and who the oppressed is (Palestinians). Do not use passive voice.**
- **Warn audiences to be vigilant about rampant Israeli state propaganda and racist dehumanizing disinformation.**

4. SAFETY: Anti-doxxing + security culture

SECURITY CULTURE

Security culture is about building safety through how we organize.

- ❑ **Organize higher risk actions together (never alone!) and only people you trust.** Make sure you have a vetting and onboarding system for new people so they can join this trusted circle with time.
- ❑ **Complete anti-doxxing steps** on next slide.
- ❑ **Don't have your full name on Signal.**
- ❑ **Complete the following safety steps before your actions:**

RECRUIT SAFETY ROLES AT ACTION:

- ❑ Safety Lead - assigns roles
- ❑ Police Liaison - liaises with police
- ❑ Legal Observer - watches police
- ❑ Marshalls - traffic control, de-escalation, and 'eyes on the street'

MAKE A PLAN FOR

- ❑ Security briefing with people holding roles (on Zoom or at protest)
- ❑ Route, if marching
- ❑ Supplies
- ❑ Dispersal & clean up

RESOURCES: [Equality Labs Security Guide](#)

TAKE THESE ANTI-DOXXING STEPS

AS A GROUP:

- 1 Remove any photos and names of SJP members from SJP's social media
- 2 Request your campus activities department to remove club contacts from university websites
- 3 Do not work on your school's network, including Google Drive.
- 4 Use encrypted platforms for coordination and mobilization, such as Signal or Telegram. Keep sensitive information out of platforms that are easy to infiltrate, such as GroupMe.
- 5 Do not use your real name on Zoom calls, consider using initials or aliases.
- 6 Do not take pictures or post about you doing anything that could get you arrested or doxxed. Blur and cover people's faces and identifiable features.

INDIVIDUALLY:

- 1 Make sure your personal social media accounts are private and do not contain your full legal name. Use aliases and remove any identifiable images of yourself from your profile pictures.
- 2 Deactivate/disable accounts temporarily, including Facebook, Instagram, Twitter and LinkedIn.

5. MEDIA: Leveraging media & social media after your action

MEDIA TIPS

- ❖ **Consider if media will show up:** Is this connected to something timely? Is the media already talking about this? If yes, try for media, if not, rely on social media.
- ❖ **Prepare anyone who is speaking to media with practice interviews:**
 - Sticking to key message and write up 3 supporting talking points
 - Flag that info to audience "The most important things is"
 - Bridging away from bad questions "The question we really should be asking is..."
- ❖ **Follow tips in the following slides to have a plan and build a team**

TELLING OUR STORY TO TRADITIONAL MAINSTREAM MEDIA

 - c. Identify questions you will NOT respond to and prepare pivot strategy or alternative answers
2. **Seek out journalists during action** and take interview requests before, during, or after an action.

What to do during an action

- ✦ Seek and identify journalists in the crowd
they tend to arrive ahead of time. Introduce yourself as an organizer.
Make it clear you want to be interviewed and have your voice heard.
- ✦ Vet them on the spot if you don't recognize their credentials
You're the star of the show, take your time. Google them. Ask for
twitter handle. Ask for a card. verify. verify. verify.

VISUALS

RESPONSIBILITIES

photographers
(including phone)

social media lead

Outsource photo content if low capacity/talent to:

1. Have footage for use in the future
2. To send in a recap release to journalists or to media outlets who may request footage during interviews/for coverage

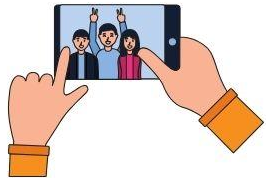

Org member should manage social media to:

1. live-stream speeches and some chants
2. Post/tweet/share images from protest with language derived from messaging or informing people what's going on.

But, even more important, is phone photographers

photographers
(including phone)

social media lead

1. Create a Signal group amongst assigned phone photographers/videographers and social media lead(s) - preferably separate people
2. Photographers/Videographers take the footage, text a few factual details i.e. arrests happening now, or people are chanting "xxx"
3. Social media lead's sole responsibility is to post/tweet and tag — this is where the list of online targets come in handy

✖ What to do during an action

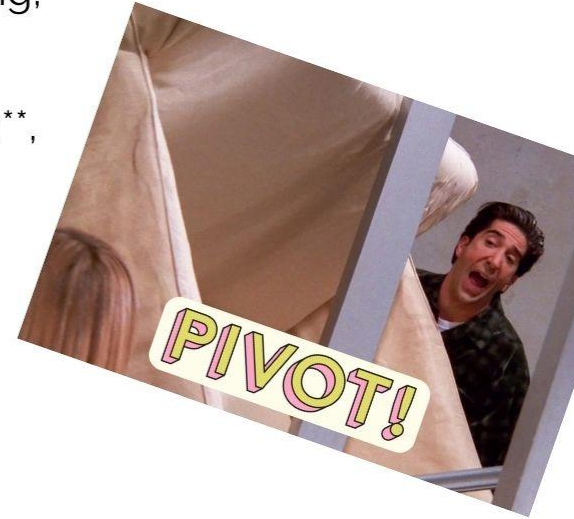

✖ Use your talking points

The pre-prepare answers to common questions.

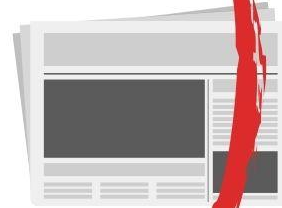

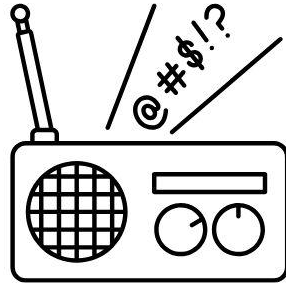

Who are you, what are you doing, what are you demanding,

✖ Pivot when required

1. DO NOT repeat words that can be taken out of context. i.e. H*m**, "gunmen", attacks by Jenin etc.
2. IMMEDIATELY pivot back to the current moment and reiterate talking points
3. Use the ACTIVE VOICE when answering. Do not parrot media's incompetence. Say: Israeli forces killed/shot/demolished/etc.

LOCAL NEWS

Channel the “American” in you

1. Call local news the same way you call your reps and DEMAND representation, offer contacts
2. Submit op-eds or footage — say ‘I’m a resident of x & x and a constituent of x & x and feel strongly about...’

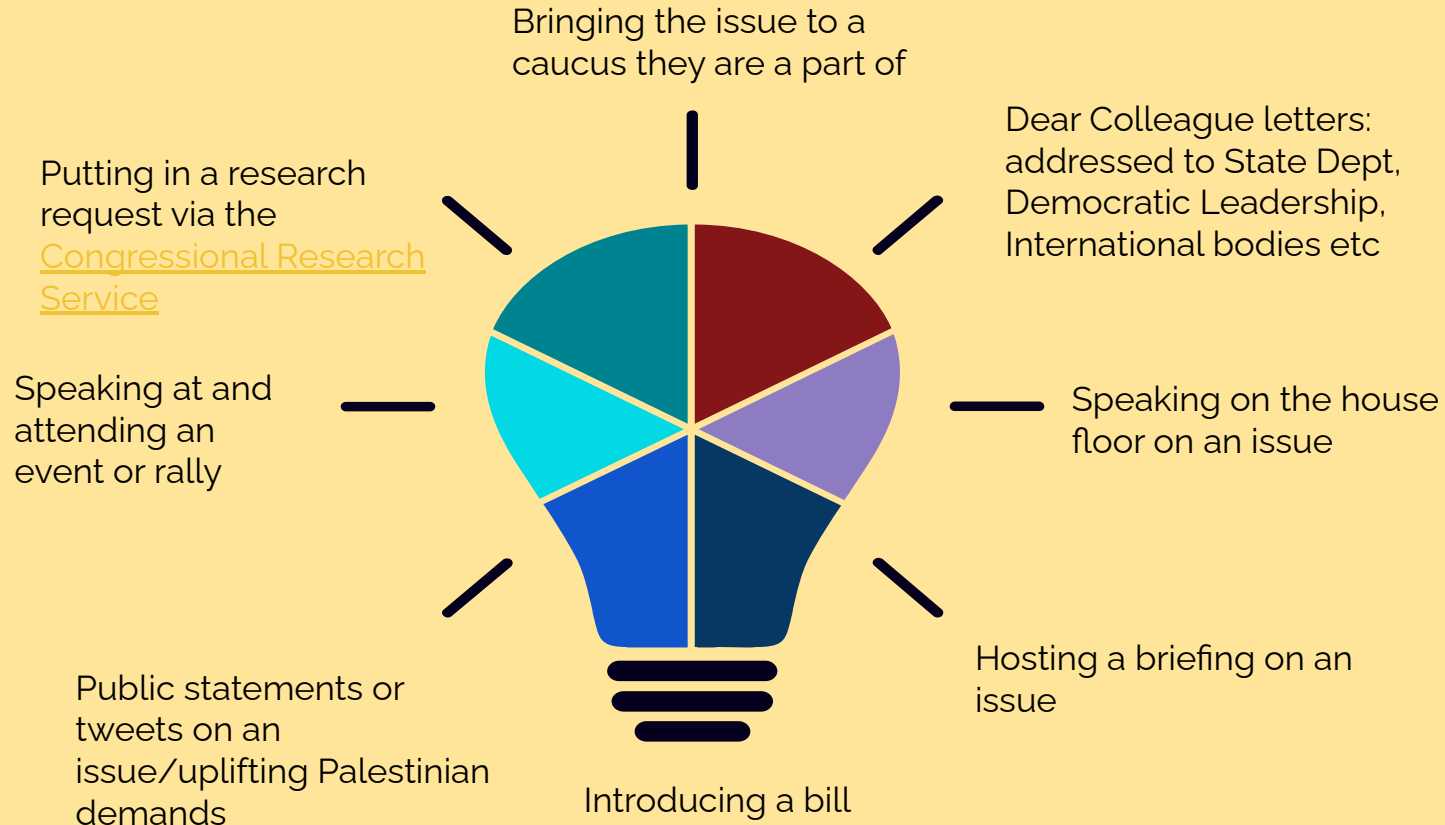

What to do after an action

- ✦ Sent a press statement only if required
did something major happen that requires your org's acknowledgment or clarification?
- ✦ Share footage with your media list
- ✦ Debrief media experience and document it for future actions.
including any journalists who showed up but weren't on your list, any questions you were asked but did not expect
